NEW SENATORSHIPS:

The Indiana JCI Senate have funds available to help pay for senatorships on behalf of Indiana Jaycees, who's chapters either folded or aged out or somehow were not recognized during their Jaycee career. We are looking to present several senatorships at the Indiana Jaycees Reunion. -In presenting senatorships to some past IN Jaycees, we are looking for individuals who will want to get active within the senate organization and by that we mean, we want them attend dour "socials" that we have every year and learn to understand what the senator organization is about.

We will provide the JCI application as well as the Indiana JCI Senate application to whomever wants to fill one out for someone. Those applications will need to be sent into IN JCI Senate treasurer Lori Tomlin who will get them to the IN JCI Senate committee to make sure they meet all the criteria and then will be processed and Lori can notify you of the approval of the senatorship.

We do ask that if you turn someone in to receive a senatorship, that you will be responsible for getting them to the Jaycees Reunion.
